# 2019

37<sup>th</sup> edition

07.06. - 09.06.2019

## NEUSS

Welcome to the Quirinus city Neuss on the left Lower Rhine. We are proud of over **2000 years of history** with Roman roots and are among the oldest Cities of Germany. The

**Rhine port** with his highly attractive industrial sites and the "Neusser Bürgerschützenfest" made the city on the Rhine with about **150,000**

**inhabitants** well known. Inherent part of Neuss has also been the QuirinusCup for 36 years.

## QUIRINUS CUP

The QuirinusCup is an international Youth handball tournament organized of the Neusser Handball club always at Pentecost and will be held 2019 for the **37th time**. We expect about **200 teams** from **15 nations**.

## MATCH OPERATIONS

### Preliminary round

Starting on Friday, 07.06.2019, the preliminary round matches start in 12 sports halls in and around Neuss. Depending on the hall, the games start at 16:00 or 17:00.

On Saturday, 08.06.2019, from 08:30 to 20:30 and Sunday, the 9th of June, also at 8:30 am until approx. 12:00 pm.

### Second round

The first and second of the preliminary round groups qualifies automatically for the finals. Does this not result in a suitable number of teams for eighth or quarterfinal pairings, the best group thirds are determined and assigned to further finals.

### Final

The finals will start at 13:00 in the triple sports hall in the school center between Weberstrasse and Bergheimer Strasse with subsequent Award ceremony and final barbecue.

## ACCOMMODATION

In addition to various hotels in Neuss also offers the Neuss handball Club inexpensive overnight accommodation. In and around the school center on the Weberstrasse sleep over Pentecost over 1000 athletes in five schools.

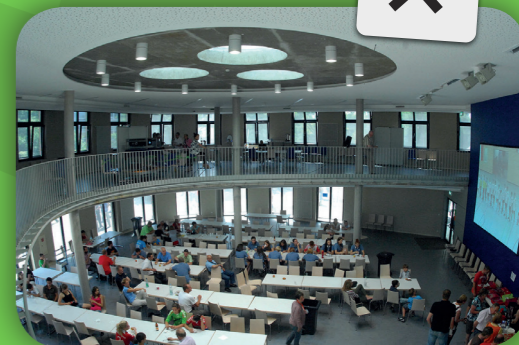

## CATERING

Balanced nutrition for the highest performance in the tournament also for vegetarians

We set up the meals in the cafeteria.

In addition, there is our QuirinusCup grill team and other goodies on all three days ready for big or small hunger.

In 2019, we also have sweet surprises to the temptation with reduced fat and charged with vitamins.
